Fall 1958 Wholesale Bulb and Plant Lists

DEAR BROTHER FLORIST:

Again it is our pleasure to mail you our latest Trade List.

Some new varieties have been added, which we highly recommend.

Place orders as early as possible as each season we have to disappoint many of our customers on varieties already sold out.

All our Plants are grown outdoors under overhead irrigation system.

Perennial shipments start September 1—Pansies, Sweet Williams, Violas and Forgetmenots; after September 15 until frost, Delphiniums. On long distances, we advise air post or air express.

Many shipments can be made this year with fast truck lines, which is quicker delivery and much lower rates. No charge for boxes or packing.

Terms: Cash or C. O. D., except to old reliable customers.

If wanted by parcel post, add enough postage, otherwise we will not ship parcel post, as too many people do not pay us for postage billed to them. If overpaid, we mail refund stamps or checks same day.

Yours for Finer Plants and Bulbs

MONARCH BULB FARM

501 Walbridge St.

KALAMAZOO, MICHIGAN
